ANSWERS

The exterior and interior parts of the ship

Exercise 1: Label the picture with the correct vocabulary.

compartment	ladder	bulkhead	watertight door	hatch
deck	overhead	partition	head	passageway

compartment

bulkhead

overhead

deck

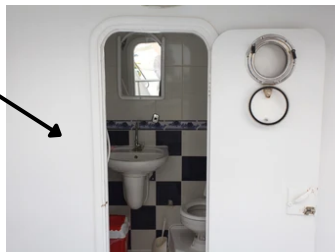

watertight door

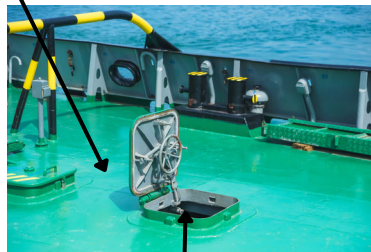

ladder

partition

head

hatch

passageway

Exercise 2: Match the definitions with the words from ex.1.

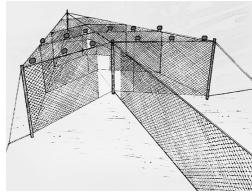

1. overhead: the ceiling of the ship.
2. deck: the floor of the ship.
3. partition: the wall of the ship.
4. bulkhead: a watertight divider that separates areas of the ship.
5. passageway: a narrow hallway connecting different areas.
6. head: a restroom.
7. ladder: the stairs of the ship.

ANSWERS

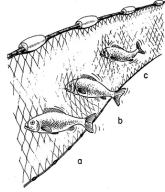

Harvest methods and gear

Exercise 1: Label the picture with the correct vocabulary.

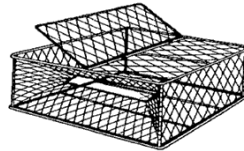

purse seine otter trawl cast net gill nets trammel nets weir
pound net lobster pot crab pot rake longline dredge

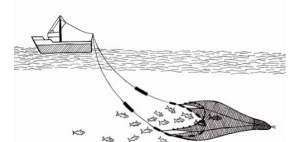

pound net

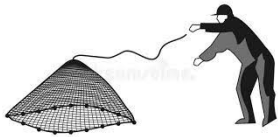

gill nets

crab pot

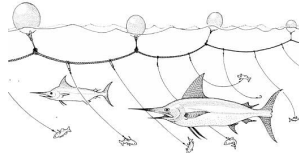

otter trawl

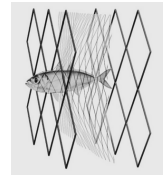

cast net

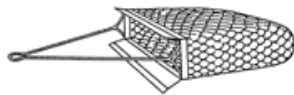

rake

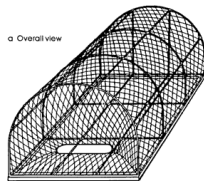

longline

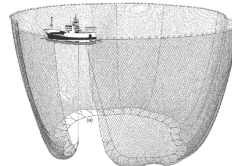

trammel nets

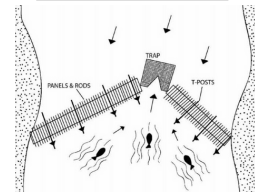

dredge

lobster pot

purse seine

weir

Exercise 2: Match the definitions with the words from ex.1.

1. cast net: is a type of net thrown by hand.
2. trammel nets: is a stationary net with three mesh layers.
3. otter trawl: is a net that is held open horizontally by two boards.
4. crab pot: is a pot used to catch crabs.
5. weir: is a simple trap placed in a current of water.
6. gill nets: is a stationary net that catches fish by the gills.
7. longline: is a fishing technique that uses a long line with baited hooks.
